

EXPERIENCE

THE HEADSTARTER - Fellowship, New York, NY

July 2024- Present

• Over the period of 5 weeks, I will be building 5 AI-based projects. Also, for my final project the goal is to make a project that will generate \$1000 in revenue or get 1000 accounts created or get 1000 people on the waitlist.

SOSE(Society Of Software Engineers) - Member, National Textile University, PAK

Oct 2023 - Present

• Active membership in the Society of Software Engineers has enriched my technical skills and provided invaluable experience in programming, teamwork, and contemporary software engineering practices.

EDUCATION

National Textile University, Bachelor of Science in Software Engineering (BSSE)

Sep 2023-2027

• GPA : 3.73

Aspire Group of Colleges, Intermediate

June 2019 - March 2021

• Percentage : 90%

Oxford Grammar School, Matric

May 2017 - June 2019

• Percentage : 94%

EXPERIENCE

Personal Website

July 2024

• Created a personal website to showcase my resume, skills, introduction, and contact information. The website serves as a professional portfolio, highlighting my projects and technical expertise.

Airline Reservation System

May 2024

• Developed an airline reservation system using C# and MySQL, featuring data forms for ticket purchasing. The system includes flight search, booking management, and payment processing, showcasing my ability to integrate front-end forms with a robust back-end database.
